Professional Development Hours Credit Statement for Registrant Records**

Many licensure and certification agencies require the demonstration of continuing professional competency. To the best of our knowledge, this meeting meets the continuing education requirements for Professional Development Hour (PDH) units. This form is for your use in maintaining a record of the hours that may qualify as PDHs by attending session(s) at this meeting. Complete this form and retain it. **Please do not return it to the Center for Transportation Studies.**

We recommend that you save the Final Program for your records should the licensure or certification agency request information from you. Reporting is done on an honor basis, and members are responsible for maintaining their own records. **Please keep this completed form and the Final Program for your records.**

The table below shows the professional development hours (PDH) that can be earned for the continuing education activities included in the Center for Transportation Studies **Toward Zero Deaths Stakeholder Webinar held virtually on Wednesday, March 30, 2022.**
