## Stop Arm Grant Program Highlights

**Proof it is working**

- Schools, bus companies and law enforcement all agree: it is an essential tool for bus drivers
- Number of citations is rising demonstrating the ability to better capture violations and educate motorists.

**Funding is needed**

- Funding for stop arm cameras
- Funding for law enforcement
- Funding for city and county attorneys
- Funding for education and awareness campaigns

**More education and awareness**

- Bus safety in driver's education
- Community awareness of driver's duties and bus safety

**Central violation reporting system**

- Funding for statewide reporting system
- Schools, bus companies and law enforcement accessible

## Success!

**KSTP-TV - 6d**

**Pine County woman charged after 2 kids nearly hit getting off school bus**

A week after authorities in Pine County asked for the public's help to identify the ...
